I/We certify that I/we have contributed substantially to the conceptualization, design, data analysis (if applicable), and manuscript writing of this work, and I/we take public accountability for it by agreeing to be listed as a contributor. I/we believe that the manuscript reflects credible research. Every author affirms their compliance with the authorship criteria set forth by the ICMJE. This manuscript, authored by me/us, has not been previously published, nor is it under consideration for publication elsewhere, except as outlined in the accompanying cover letter. I/we confirm that no data from the study has been or will be released separately and all data gathered during the study is included in this manuscript. I/we assure that, upon request from the editors, I/we attest that, if requested by the editors, for examination by the editors or their assignees, I/we will furnish the data/information or will cooperate fully in obtaining and providing the data/information on which the manuscript is based. In the cover letter, any direct or indirect financial interests, that exist or may be perceived to exist for individual contributors in connection with the content of this paper have been disclosed. Additionally, sources of external support for the project are identified in the cover letter.

Should the work be published by the Journal, I/we hereby agree to license it under the Creative Commons Attribution-NonCommercial 4.0 International License (CC BY-NC 4.0). This license allows others to share, adapt, and build upon the work, but only for non-commercial purposes.

All individuals who have significantly contributed to the research reported in the manuscript, yet are not listed as authors, are acknowledged in the Acknowledgment section and have provided written consent to be mentioned. The absence of an Acknowledgment indicates that there were no substantial contributions from non-authors and that no contributors have been excluded.
